- fis** **H7**
Time of Jubilee is coming,
E
hearts can open to new graces!
Gis7
There is hope for every sinner,
cis **cis7**
sins are washed and leave no traces!
- fis** **H**
Boost the power of your spirit,
E
reach for healing in confession:
fis
truth, contrition, compensation
Gis
like a gift beyond expression! **Chorus**
- Praise to God for His great mercy
raining down on us in rivers;
He forgives the worst of sinners,
fills His Kingdom with believers!
- Go proclaim the name of Jesus
in the world where hope has quivered;
“Sin no more and go in peace now,
through your faith you've been delivered”!
Chorus

- Mary, grant us your protection,
pilgrims come from many places;
you're our hope and our example,
ask the Lord to grant us graces:
- of fidelity and courage,
love and faith as deep as oceans.
May young people choose with prudence
and love God with great devotion! **Chorus**
- When in love you've been frustrated,
words have hurt as much as ever,
stick with God and keep on walking,
“Love and pain just go together”!
- When your heart is feeling lonely
and your soul oppressed with sadness,
put your hope in Resurrection:
Jesus leads you into gladness! **Chorus**
